**DIRECTIONS:** *From Orofino, ID 7 NW for ~3.5 mi; BRUCE EDDY: turn R before the bridge and continue to water; FREEMAN CREEK AREA/DWORSHAK SP: continue straight on ID 7 after bridge for 0.5 mi and turn R onto Viewpoint Rd; at intersection of Viewpoint Rd and Old Ahkahka Rd, take Ahkahka Rd and go 4.2 mi; R onto Brown Rd for 1.5mi then R onto Summers Rd for 1.1 mi; R on Freeman Creek Rd ~7 mi to destination.*

Look for waterbirds, gulls, and occasionally terns from the parking lot area. Western Grebes and California Gulls can be common from late summer-fall. Bald Eagles and Ospreys (in season) are common and both nest on the reservoir. Canyon Wrens are often found near the boat ramp or behind the nearby US Army Corps office. There are multiple nearby locations around Dworshak Reservoir and along the North Fork and Clearwater Rivers worth exploring further.
